About Us

Established in 1992 by a consortium of esteemed educators committed to the nurturing of the society, Kamala Education Society flourished under their guidance for over a decade. In 2000, the reins of the trust were handed over to Dr. Deepak Shah, a celebrated activist, social reformer and educator who infused it with dynamic energy to further its noble cause.

Mrs. Pratibha Shah, an influential social activist, has also been instrumental in fostering the trust's development across all spheres. With a steadfast dedication to educational excellence, Kamala Education Society has witnessed comprehensive growth and progress, embodying a focused approach that resonates across its endeavors.

Vision

Vertical and horizontal mobility of students create the desired value

Mission

To disseminate knowledge based education on ethical values.

To inculcate skills valued by industry and lead to graduate employability.

To encourage higher education as an endogenous capacity-builder and as a promoter of human rights.

To develop personality enhancement through soft-skills and competitive careers.

To promote gender equality among students.

Objectives

- To adopt a transformative and innovative approach for curriculam and pedagogy (The method and practice of teaching, especially as an academic subject or theoretical concept).
- To adopt a learner-centered paradigm of education, introducing multi-disciplinary industry-oriented, entrepreneurship and skill-based courses.
- To adopt new pedagogical techniques such as flipped classrooms, blended learning, smart classrooms and experiential learning.
- To incentivize and facilitate faculty development and exchange programmes and interdisciplinary research.
- To impart quality education and good moral values to young generation and provide them an excellent and perfect environment and infrastructure for their overall growth.
- To endorse communication and awareness programme.
- To assist colleges to draw on our expertise.
- To promote research & publication on contemporary & relevant issues of higher education.
- To be a part of reform dialogues and an independent voice of the higher education community in India.

Kamala Education Society is registered as under:

- Bombay Public Trust Act, 1950 Reg. No.: F-7404/Pune dated: 23/03/1992
- Society's Act, Reg. No.: Maharashtra/6279-92/Pune, dated: 23/01/1992.

Trust's registered address: Block D-III, Plot No. 3, Behind Mehta Hospital, Off Mumbai-Pune road, Chinchwad, Pune - 411019

Message from the Management

Dear Parents and Aspirants,

"Education is not only the creation of careers, but the cultivation of responsible citizens who shape the destiny of society."

It gives me great pride and a deep sense of responsibility to present Pratibha College of Commerce and Computer Studies (PCCCS) as a center of excellence committed to academic quality, ethical governance, and holistic student development. In alignment with the transformative vision of the National Education Policy 2020, our institution embraces a learner-centric, multidisciplinary and skill-oriented approach to education. We believe that true education must ensure both vertical mobility through academic progression and employability and horizontal mobility through life skills, social awareness, innovation and values-thereby creating the desired value in every student.

Pratibha College has been honored with a NAAC A Grade, a recognition that reflects our commitment to quality governance, transparency and continuous improvement. Our academic and administrative processes are guided by participative leadership, accountability and student-focused decision-making, ensuring that excellence is not accidental but institutionalized.

Our governance framework integrates national priorities by enabling students to become competent professionals and confident contributors to the nation's growth. We encourage experiential learning, industry interaction, research culture and community engagement to prepare students for a dynamic global environment.

The vision of PCCCS is to nurture individuals who are intellectually empowered, socially sensitive and ethically grounded. Education at PCCCS is not confined to classrooms; it extends to character building and nation building. Our students are encouraged to think critically, act responsibly and serve society with compassion and competence.

As Secretary, I reaffirm our commitment to visionary governance, academic excellence, and societal contribution. We aspire to create a learning ecosystem where every student can grow vertically in knowledge and career and expand horizontally in personality and purpose.

I warmly invite students, parents, and stakeholders to become part of the PCCCS family and join us in this meaningful journey of learning, leadership and service to society.

With best wishes for a bright and purposeful future.

Dr. Deepak V. Shah
Secretary, Kamala Education Society
Ph.D, MBA, M.Sc.(Chem.)

Message from the CAO

Dear Parents and Aspirants,

Swami Vivekananda's profound words, "We want the education by which character is formed, strength of mind is increased, intellect is expanded and one can stand on his own feet" resonate deeply within Kamala Education Society (KES). Inspired by Vivekananda's ideals and the mentorship examples of Lord Krishna and Mahatma Gandhi, we strive to instill in our students the values of perseverance and self-reliance.

Pratibha College of Commerce and Computer Studies (PCCCS), a proud member of KES, epitomizes our commitment to educational excellence. Since its inception in 2007 with just 30 students, PCCCS has grown exponentially, now boasting over 3500+ students. Affiliated with Savitribai Phule Pune University, PCCCS offers a diverse range of undergraduate and postgraduate programs, including Commerce, Computer Applications, Cyber and Digital Science, Artificial Intelligence and Machine Learning, Data Science and Cyber Security. Notably, the Research Centre in Commerce and English in affiliation with SPPU, stands as a testament to our dedication to academic innovation.

Dr. Deepak Shah, Secretary of KES, is a visionary leader and dedicated administrator. His passion for providing quality education is evident in the state-of-the-art infrastructure of PCCCS, comprising well-equipped classrooms, libraries, laboratories and gymnasiums. PCCCS is renowned for its skillful learning environment, organizing Job Fairs and Mega Pool Campus Placement Drives to facilitate students' aspirations towards their dream careers.

PCCCS fosters holistic development through its vibrant college community, boosting 55+ committees led by faculty members and student representatives. These committees offer diverse platforms for students to showcase their talents and enhance their personalities through competitions, programs and events.

The achievements of PCCCS students speak volumes about the quality of education imparted here, with remarkable performances in academics, sports and corporate positions. The recent accreditation by NAAC in 2022, with an impressive "Grade A and CGPA of 3.22", underscores our unwavering commitment to excellence in higher education.

Message from the Principal

Dear Students, Parents and Aspirants,

"Education becomes complete when knowledge is guided by values and learning is guided by purpose."

It is my privilege to welcome you to Pratibha College, an institution committed to holistic education, ethical governance and continuous quality enhancement. In accordance with the National Education Policy 2020, our college follows a multidisciplinary, "student-centric and skill-oriented approach", that ensures both vertical mobility through academic excellence and horizontal mobility through co-curricular, cultural, and social engagement.

Academic strength at Pratibha College is driven by our team of experienced, dedicated, and highly qualified faculty members who adopt innovative teaching methodologies, outcome-based education, and technology-enabled learning. Our teaching-learning process is supported by well-equipped classrooms, modern laboratories, computer labs, library resources and ICT-enabled infrastructure that provides students with a stimulating and practical learning environment.

We believe that true education extends beyond classrooms. Events such as Pragyan – the annual cultural festival, along with sports competitions, student development programs, and committee activities, play a vital role in nurturing creativity, teamwork, leadership, and confidence among students. Through NSS, NCC, Women Development Cell, career guidance, and various academic and administrative committees, students are encouraged to participate actively in institutional life and community service.

The Internal Quality Assurance Cell (IQAC) serves as the backbone of our quality initiatives. It continuously monitors academic performance, governance processes, and student support systems, ensuring transparency, accountability, and sustained institutional improvement. The recognition of NAAC A Grade stands as testimony to our commitment to quality, governance and excellence.

Our institution promotes research culture, innovation, entrepreneurship, and digital learning in alignment with national initiatives such as Skill India, Digital India, Start-up India and Atmanirbhar Bharat. We strive to prepare students who are professionally competent, ethically grounded and socially responsible.

The vision of Pratibha College is to create an inclusive learning ecosystem where students grow intellectually, culturally, physically and socially. Our mission is to empower them with knowledge, skills, values and opportunities so that they can contribute meaningfully to society and the nation.

As a Principal, I assure students and parents that Pratibha College remains committed to quality education, good governance, and holistic development through academics, culture, sports and service.
I invite you to be a part of this vibrant academic community and experience a journey of knowledge, character, and transformation.

Dr. Kshitija Prashant Gandhi
Principal, PCCCS
Ph.D, M.Phil, MBA, NET, M.Com

Message from the Vice-Principal

Dear Students, Parents and Aspirants,

“Education is the most powerful tool that can transform individuals and shape the future of society.”

It gives me immense pleasure to welcome you to Kamala Education Society’s Pratibha College of Commerce and Computer Studies, Chinchwad. Our institution is committed to providing quality education, academic excellence, and holistic development to all our students. We believe that education should not only impart knowledge but also nurture creativity, critical thinking, ethical values and leadership skills.

At our college, we strive to create a dynamic learning environment supported by experienced faculty, modern infrastructure, and opportunities for students to participate in academic, cultural, and research activities. We encourage students to explore their talents, develop innovative ideas and prepare themselves to meet the challenges of a rapidly changing world.

I am especially delighted to share that our college has taken a progressive step by introducing new academic programs, including courses in Data Science. In my capacity as the lead for this initiative, I take immense pride in seeing our students engage with cutting-edge tools and techniques such as data analytics, machine learning and predictive modeling. These programs are designed not only to enhance employability but also to cultivate analytical minds capable of transforming data into meaningful insights.

Our goal is to empower students with the skills, confidence, and values necessary for successful careers and responsible citizenship. With the support of dedicated teachers and a vibrant academic culture, we ensure that every student receives the guidance and opportunities needed to achieve their aspirations.

I warmly welcome all aspiring students to become a part of our institution and wish them a bright, successful, and fulfilling academic journey.

Dr. Jayashree Muley

Vice Principal, PCCCS

Ph.D, MBA (Finance), PGDCS, M.Sc.(Stats.)

Code of Conduct for Students

1. Students must carry their identity cards with them in the college campus.
2. Courtesy and respect must be the key aspects of students' behavior. Disrespect and disobedience will result in disciplinary action.
3. Attendance is compulsory for all lectures, practicals, and examinations. Students with less than 75% attendance will not be permitted to appear for examinations. Students' daily attendance will be shared with parents through registered email IDs, mobile applications or WhatsApp.
4. Drug and Alcohol Policy: In accordance with the laws, rules, and regulations of the UGC and the University, students are required to abstain from drugs, cigarettes, gutkha, pan masala, and alcohol during their tenure at the college. Violation of this policy will lead to cancellation of admission and legal action.
5. Anti-Sexual Harassment: In case of any complaint, students should contact Dr. Anuradha Ghodke at 9421872923.
6. Ragging is strictly prohibited within the college premises and outside. Students found guilty will be punished as per UGC regulations on "Curbing the Menace of Ragging in Higher Educational Institutions, 2009," published in the Gazette of India dated 4th July 2009. Such students will also be expelled from the college, and an FIR will be lodged against them.
7. No outside influence, political or otherwise, should be brought into the college, directly or indirectly.
8. Scribbling on walls and desks is strictly prohibited. If any student is found doing so, strict action will be taken against them.
9. Students who bring bicycles or two-wheelers must park their vehicles only in the designated parking areas. The college will not be responsible for any theft or damage to parked vehicles.
10. Copying in examinations, possessing unauthorized materials (such as notebook pages or electronic gadgets), exchanging answer sheets, or allowing proxy writers will be treated as offences, and strict action will be taken.
11. No student shall collect money for any event or reason without prior written permission from the Principal.
12. Students shall not organize picnics, excursions, or trips on their own without prior approval.
13. All programs, meetings, and gatherings must be organized only with prior written permission from the Principal. Rules set by the college authorities must be followed from time to time.
14. The Principal's decision shall be final and binding in all matters.
15. Students are expected to uphold social responsibilities as responsible citizens. They are encouraged to use public transport instead of private vehicles or opt for vehicle pooling wherever possible.
16. Students are encouraged to adopt a "Go Green Life" by participating in tree plantation, conserving water and electricity, and minimizing the use of plastic, thereby promoting an ethical and sustainable lifestyle.
17. Students' Grievance Redressal Cell: The college has established a Students' Grievance Redressal Cell as per the norms of SPPU. Students may refer to the college website for further details.

"Ek Mutthi Anaj"

Ek Mutthi Anaj is our signature activity since 2017 to collect food grains from stakeholders to work for social cause. The initiative aims to foster social responsibility, compassion, and community service among students. In the academic year 2025–26, a total of 153 kg of food grains such as wheat, sugar, rice, and pulses were collected on 3rd and 4th February 2026. The collected grains were donated to Punruthan Samarsata Gurukulum, Chinchwad; Sawali Niwara Kendra, Pimpri; and Jeewan Ankur Balakashram, Salumbare.

B.Com. B.M. (Business Management)

Name of the Faculty	Qualification	Experience
Mrs.Anita Vishwakarma **Program Coordinator**	M.Com, MBA(HRM, Financial Management) Ph.D(Pursuing)	20 years
Mrs.Kanan Padte	MBA(Marketing), Ph.D(Pursuing)	10 years
Dr.Rashmi Bhaik	Ph.D, M.Sc(Org. Chemistry), B.Ed, MBA (Marketing)	6 years

"Vidhya Pradaan"

As a part of the Corporate Social Responsibility (CSR) initiative, B.Com Business Management students organized a teaching program for school students. The activity aimed to contribute to community development by promoting education and supporting the academic growth of school students.

Our students visited the school and conducted interactive teaching sessions for students. The sessions included basic subjects such as Science, English, and Personality Development Skills. Various teaching methods like presentations, group activities, and question–answer sessions were used to make learning interesting and effective.

B.Com. I.B. (International Business)

Name of the Faculty	Qualification	Experience
Dr.Hanumanta Koli **Program Coordinator**	Ph.D, MBA, GDC&A	16 years
Dr.Rohit Akolkar	Ph.D, MBA, M.Com, LL.B, B.Ed. GDC&A, M.A, NET, SET	6 years
Dr.Shagunthala Devi	Ph.D, MBA, M.Phil	12 years

"TECH-FEST Activity"

The event aimed to provide a platform for students to showcase their technical knowledge, creativity, and innovative thinking in Computer Science. A total of 435 students participated enthusiastically. The competition comprised three rounds: PictoQuiz: Decode the Subject Name, Tech Riddles Challenge, and Tech-Quick Fire, focusing on computer science fundamentals and technical concepts. The activities tested students' subject knowledge, analytical ability, teamwork, and awareness of emerging technologies.

"Fixathon Competition "

The event focused on enhancing practical problem-solving skills through error detection and debugging tasks in MS Word, MS Excel, C, C++, Python and Java. An intercollegiate two-round format effectively assessed technical proficiency, logical thinking, accuracy and time management. The competition provided valuable hands-on experience and fostered a healthy competitive spirit among participants.

"IRIDESCENCE – Celebrating Navratri with Scientific Way"

Each year around a total of 47 to 60 students from various departments of science streams actively participated in presenting scientifically interpreted food products, posters, working and non-working models, and experiments based on Navratri themes.

The activity provided a platform for experiential and interdisciplinary learning, enhancing students' research orientation and teamwork, communication, and presentation skills. It encouraged learners to analyse cultural practices through a logical and scientific lens while promoting sustainability and holistic education.

"Wings of Fire"

The event aimed to promote creativity, confidence, communication skills, and student empowerment through cultural and intellectual activities. The event began with Arts Got Talent, where students showcased diverse talents such as dance, singing, poetry, shayari and sketching.

OUR INFRASTRUCTURE FACILITIES

Classrooms

- Modern infrastructure with fully equipped smart classrooms.
- Classrooms are designed to offer ample space and comfort, ensuring a conducive academic environment.
- Advanced teaching tools and technology for interactive and effective learning.
- Amphitheatre-style seating arrangements allow accommodation of 80–100 students, ensuring clear visibility and engagement.

Library

- A knowledge hub with a collection of 27,729 books, a spacious reading hall and a dedicated book bank facility.
- It is automated using Vriddhi ILMS and follows an open access system with rare books, reference materials, textbooks, journals and magazines.
- Digitalized Library offering e-reference books, e-journals, e-databases, OER and an institutional Microsoft Teams repository for remote access.
- Easy access to MOOC platforms like NPTEL, SWAYAM and Infosys Springboard.

Computer Laboratories

- The college offers well-equipped computer laboratories with over 550 Core i7-based PCs to support digital learning with high-speed internet connectivity for seamless academic and research activities.
- The facilities cater to the needs of Generation Z students, integrating technology into everyday learning.
- Students are encouraged to explore advanced digital skills beyond platforms like Facebook, Instagram, Twitter, LinkedIn and YouTube to discover broader opportunities in the digital world.

Auditorium/Seminar Hall

- The college has a fully functional, centrally air-conditioned auditorium with a seating capacity of 200.
- It is equipped with state-of-the-art audio-visual systems for effective presentations and events.
- A multi-functional lighting arrangement enhances the overall ambience and event experience.
- The auditorium is regularly used for seminars, conferences, guest lectures, cultural programs and annual college functions.

Amphitheatre & Community Hall

- The college features a spacious and aesthetically designed Amphitheatre and Community Hall.
- It provides an excellent platform for students to showcase their hidden talents and abilities.
- The venue supports a variety of cultural, social, and intellectual activities. Its vibrant and engaging environment encourages student participation and overall personality development.

OUR INFRASTRUCTURE FACILITIES

Sports

- We run diversified activities such as Yoga, Chess, Cricket, Football, Kho-Kho, Tennis, Shooting, Volleyball and Basketball by encouraging student participation and excellence.
- Students actively compete and excel in college-level, intercollegiate, university and national-level tournaments.
- The institution nurtures talent by providing opportunities, guidance and a supportive environment for overall sports development.

Gymnasium

- The college has a spacious and well-equipped gymnasium to support fitness and indoor sports activities.
- It is designed to cater to the physical development and recreational needs of students and staff.
- The gymnasium is supervised by a qualified Physical Education Director for proper guidance and safety.
- It is accessible during designated hours, promoting health, fitness and overall well-being.

Language Laboratory

- The college has a well-established language laboratory to enhance students' communication and conversational skills.
- It is equipped with books, CDs, course materials, journals and periodicals focused on English language development.
- The lab provides a structured environment for improving listening, speaking, reading and writing skills.
- The training programs are supervised and guided by a dedicated faculty member.

Pratibha Health Centre

- The center offers medical check-ups and consultation under the supervision of a qualified physician.
- It provides professional psychological counselling services guided by an experienced family counsellor.
- The facility is available free of cost for students, parents and staff members.
- It promotes overall physical and mental well-being through accessible and supportive healthcare services.

Canteen

- The college provides a well-maintained canteen facility ensuring quality and safety standards.
- Food is available at affordable prices to all students.
- The canteen serves as a comfortable space for students to relax and refresh during their free time.

National Service Scheme (NSS)

- The NSS unit engages students in various social service projects to contribute to society.
- It creates awareness and sensitizes students towards social issues.
- Regular programs and activities are organized in both rural and urban areas.
- Interested students can enroll in the scheme by contacting the NSS Programme Officers.

Earn and Learn Scheme

- The scheme supports financially weaker students by providing opportunities to earn while learning.
- It is a joint initiative of the university and the college to promote self-reliance.
- The university contributes ₹5,00,000 annually towards the scheme.
- The college matches this support with an additional ₹5,00,000 under
- CSR to aid students' career development.

Student Development Cell

- SDC organizes a variety of non-academic activities to enhance practical skills and creativity.
- Activities include cake making, trekking, robotics workshops, disaster management and photography.
- The cell focuses on overall personality development beyond academics.

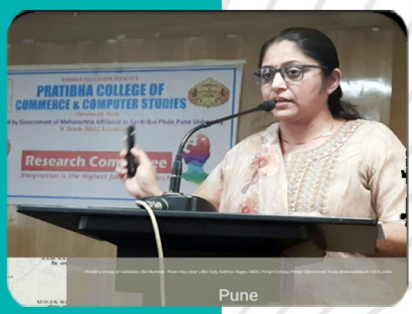
Pratibha Counselling Center & Faculty Mentorship

- The college introduced the Mentor Scheme in 2010 to support students overall development.
- Each student is assigned a faculty mentor who acts as a guide and counsellor throughout their academic journey.
- Students can freely discuss academic, personal and career-related concerns with their mentors.
- The initiative ensures personalized guidance, emotional support and continuous mentoring.

Alumni Association

- Established in June 2010 to build strong connections with former students.
- It brings together alumni who are contributing across various sectors of society.
- Alumni actively inspire and guide current students towards academic and career excellence.
- It encourages alumni participation in the growth and development of the college.

OUR BEST PRACTICES



Entrepreneur Cell & Incubation Centre

- The centre supports students with innovative ideas by providing financial assistance and guidance to develop startups.
- It promotes entrepreneurial awareness, creativity and innovation among students.
- The cell encourages an entrepreneurial mindset and opens diverse career opportunities.

Joy of Giving

- The college promotes social responsibility by encouraging students to volunteer with community activities such as Ek Muthhi Anaj, Vastra Punarchakra etc.
- Students actively participate in initiatives like visiting old age homes, tree plantation, and donating books, clothes, and food.
- The program creates awareness about environmental sustainability, textile waste reduction, and responsible consumption.
- It fosters a culture of reuse, recycling and community participation, contributing to eco-friendly practices and waste management.

Pratibha Flair-Festo

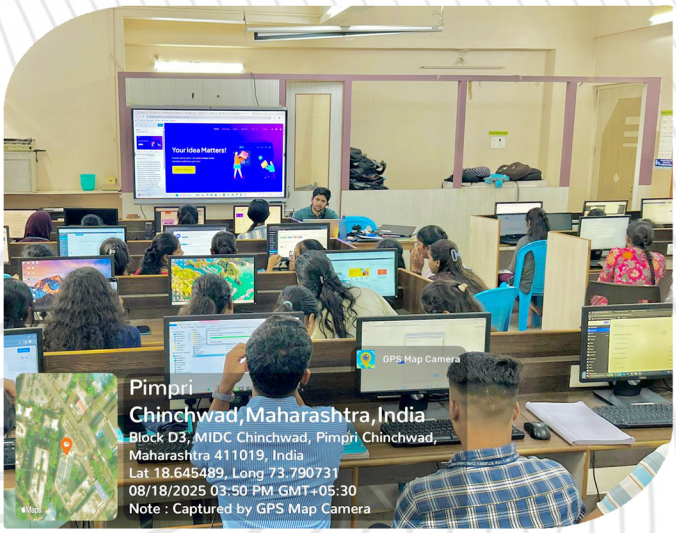
- The college hosts an annual cultural fest 'Pratibha Flair-Festo' along with the Annual Prize Distribution Day.
- The event showcases student talent through activities like Elocution, Twin Day, Mehndi, Professional Day, Traditional Day, One Act Play, and Fashion Show.
- It provides a platform for students to express creativity and participate in diverse cultural events.
- Students are felicitated for curricular, co-curricular and extracurricular activities,

Pragyan

- Pragyan is an academic and co-curricular initiative that offers students a platform to showcase their knowledge, creativity and competitive spirit through diverse events at inter-collegiate level.
- The program promotes innovation, teamwork, and practical learning beyond the classroom, enhancing students' overall competencies.
- With participation from internal and external students, Pragyan fosters academic excellence, leadership skills, and a vibrant learning environment.

Industry-Academia-Social Interface

Under the CSR 'Ek Mutthi Anaj ' initiative was organised to support needy by contributing food grains.



'Let's Talk Corporate' organized to inspire students & provide insights into the aviation sector.

'Industrial Visit and Educational Tour' conducted for practical industry exposure.

An 'IT Technical Session' was conducted to enhance technical knowledge and practical understanding.

'Outdoor Management Training' was conducted to develop leadership, teamwork and management skills.

Supporting 'Innovation and Entrepreneurship' through Startups to promote startup culture and new business ideas.

STUDENT DRIVEN PLACEMENT

Placement is the culmination of the academic journey undertaken by our students. We consider it our responsibility to ensure that students achieve their career aspirations. Throughout the year, special attention is given to preparing students to excel in the placement process. Pre-placement talks, CV writing workshops, mock GD-PI sessions, and communication skill lectures are organized to equip students for the competitive placement environment.

PCCCS recognizes the importance of career planning in every student's life. Therefore, equal emphasis is placed on mentoring and developing each student individually so that they can make informed career choices. Through this development programme, students prepare themselves to become professionals of choice for recruiters.

Students understand the importance of experiential learning. Hence, an exclusive Placement Cell comprising around 15 students works tirelessly to explore opportunities across various industry sectors, build strong corporate relations, coordinate campus interviews, and guide students throughout the placement process whenever required.

The Placement Cell also organizes academic and technical sessions, along with interactive lectures delivered by eminent corporate personalities on the theme:
"It's not just about knowing; it's about doing."

The Career Counselling and Placement Cell has been established to provide students with guidance, direction, and exposure to a wide range of career opportunities and job prospects available after graduation. The Cell is envisioned as more than a conventional placement centre where students merely connect with potential employers. Its objective is to prepare students confidently for the next phase of life and enable them to apply their learning meaningfully in real-world situations.a

The following activities are organized by the Cell to:

* Help students identify their aptitude and career interests
* Enhance students' skills and talents through professional guidance and support
* Build confidence and a strong sense of identity through self-development workshops
* Develop strong professional values and provide exposure to diverse career opportunities
* Invite agencies, NGOs, corporate organizations, institutions, and training agencies for placement opportunities
* Provide information regarding entrance examinations and scholarships for higher education in India and abroad
* Organize academic, technical, and personality development programmes
* Facilitate interaction between students and industry professionals to improve employability skills

PRATIBHA FINISHING SCHOOL

Pratibha Finishing School have organized multiple trainings for both Technical and Non – Technical Students of Pratibha College of Commerce and Computer Studies.

Kaladarpan

Kaladarpan

The foundation of every state, society, or civilization lies in the education of its youth. It is imperative for those who possess the power to impart knowledge to young minds to provide them with the tools for a meaningful, holistic, and fulfilling life. "Swami Vivekananda's intellectual legacy will empower them to become global citizens who navigate challenges with grace while embracing progressive knowledge-based technologies. It is our fervent desire to shape the younger generation of our country into responsible citizens, equipped with the knowledge and resources to lead the nation into a glorious future.

"Education is the manifestation of divine perfection already existing in man"
-Swami Vivekanand
