➤ **Topics Covered and outcomes of the talk:**

1. Keys to success – Enhance yourself

Alumni Committee in association with Department of Computer Application organized practical session under the Knowledge Impart Programme by Miss Riddhi Garg, System Engineer – ATOSSSYNTEL, on 19th November 2022 on topic ‘Keys to success – Enhance yourself’, for BBA (CA) students.

The main purpose of the talk was making students aware about ‘Self’ improvement to succeed in any field. The strengthening of our ‘self’ is way better to enhance mental health and our relationships. Riddhi Madam emphasized on reading daily and meditating as the top priority to enhance our ‘self’ and mental health.

2. Alumni talk with CA Ruchita Malpani

Alumni Committee in association with Department of Commerce organized session under the Knowledge Impart Programme by CA Miss Ruchita Malpani on 26th November 2022 with the topic, ‘Alumni talk with CA Ruchita Malpani’.

The basics of being a CA and giving the best in whatever field we choose was the gist of the talk. Every field we choose requires patience and hard work to excel.

3. Career Opportunities in Sports Management

Alumni Committee in association with Department of Business Administration organized session under the Knowledge Impart Programme by Mr. Akshay Yewale on ‘Carrier Opportunities in Sports Management’ for BBA students on 14th December 2022.

Mr Akshay made it significant to the students the career opportunities in Sports Management. He emphasized on the day to day healthy routine by meditating and exercise as the priority to happy and healthy living.

4. AWS and Services

Alumni Committee in association with Department of Computer Applications – Science (BCA –Sci) organized session under the Knowledge Impart Programme by Mr. Kiran Pyati on ‘AWS and Services’ on 11th March 2023. Mr Kiran made it significant to the students the growing trend in cloud computing in near future. He emphasized on the clarity of Amazon Web Services and its wide variety of workloads such as game development, data processing, ware housing, saving the time and money.

5. Spirituality – A way to Holistic development

Alumni Committee in association with the Faculty of Arts and Humanities organized session under the Knowledge Impart Programme by Ms Nikita Wasnik on 6th May 2023. She discussed about the four things to enhance energy: meditate daily, cultivate positive thoughts, focus your attention on what truly matters and live simply. For having clarity in life, she used a strong symbolic story and made the session more interesting.

6. Efficacy of growing in college days

Alumni Committee in association with the Faculty of Arts and Humanities organized session under the Knowledge Impart Programme by Ms. Sonal Bhagade on – Efficacy of growing in college days. She guided the students regarding the preparation of examination, how to make your answers apt and to the point and how to optimize the use of all the study resources available in the college. She also cleared the doubts of students regarding selection of careers after graduation.
