Pre-Placement Activities (2022-23)

(Pratibha Finishing School)

Pratibha Finishing School was formed in the year 2017-18 with a thought of up skilling students on soft-skills, aptitude skills and technical skills which will help them to crack interviews and get placed in companies. At Pratibha Finishing School we continuously take efforts to up skill the students by designing various courses.

'Keep training and keep learning until you get it right'

We recognize the importance of a career choice in each and every student's life, as a result it is important to coach and develop a student individually to ensure the student is able to make an informed choice on career.

Report on "30-Hours Training on Soft skill & communication skills/Communication skills for manager"

</div>

- **16ᵗʰ February – 26ᵗʰ February 2023**

As determined by the higher authorities and the prudent support of Barclays Bank and Global Talent Track, the Employability and skill enhancement program was organized by **Pratibha Finishing School**. It was a **30-Hours Training on Full Stack Java, Aptitude Training, C++ & its uses in IT Companies, Soft skill& communication skills/Communication skills for manager** for the academic year 2022-23 from 10/02/2023 to 16/02/2023the detailed record of the session is as follows

At PCCCS, every year we execute number of training programs for our students in collaboration with corporate giants.

This particular program was successfully attended by students, sourcing from FY BSc(CDS),FY MSc (CS),SY BSc(CS),SY BBA (CA),TY BSc(CS). The entire strength of the students was divided into groups, for the purpose of better interactive sessions and effective results. Into each batch, teacher coordinators were participating to facilitate and ensure better implementation of the initiative. During this program, various experts from Barclays Bank and the experts from **Global Talent Track** were invited to nurture our students for the communication skill. The trainers had not left any stone unturned, to make the sessions innovative and result oriented. The syllabus for the training was designed in the customized way to yield it very resourceful for the final and pre final year students during their placements. The trainers covered different topics initiating from effective, Basic concepts of programming operators precedence and associvity with evaluation of expression, Basic concepts of programming operators precedence and associvity with evaluation of expression and program for performing (nested if else), Introduction of CPP,Cin,Cout Simple, Program for writing Data types

,looping break,continue statements in java, Program for password checking,number reverse and digits addition , While loop,break,continue and its programs , String ,string buffer with functions ,Vector with functions and practical assignments and many more.

The trainers in their delivery were very much at premium competency, very creative and well abled to disseminate the complexities to simplicities. The students also enjoyed a lot, they actively participated in every activity, which was very much evidenced by overflowing responses by students. Finally, after the summation of the training program, the students were very grateful and glad for the immense contribution of the company. Thus, the overall experience of this nine days training program was holistically very fruitful and empowering.

At the outset the session ended with a valedictory function carried out by the department in presence of Dr. Deepak Shah, Secretary KES, Dr. Rajendra kankariya CAO KES, Dr. Kshitija Gandhi, Vice Principal PCCCS, Dr. Jayeshri Muley IQAC Co-ordinator, Dr. Harshita Vachhani Program Co-ordinator Computer Science department, The Trainers guided our student. Total 542 students attended the event.
