About Us

Established in 1992 by a consortium of esteemed educators committed to its nurturing, the Kamala Education Society flourished under their guidance for over a decade. In 2000, the reins of the trust were handed over to Dr. Deepak Shah, a celebrated activist, social reformer, and educator, who infused it with dynamic energy to further its noble cause. Mrs. Pratibha Shah, an influential social activist, has also been instrumental in fostering the trust's development across all spheres. With a steadfast dedication to educational excellence, the Kamala Education Society has witnessed comprehensive growth and progress, embodying a focused approach that resonates across its endeavors.

Kamala Education Society is registered as under:

1. Bombay Public Trust Act, 1950 Reg. No.: F-7404/Pune dated: 23/03/1992
2. Society's Act, Reg. No.: Maharashtra/6279-92/Pune, dated: 23/01/1992
Trust's registered address: Flat No. 3, Tamhane Building, Prabhat Road,
Lane No. 1, Deccan Gymkhana, Pune 411004

Our Vision:

Vertical and horizontal mobility of students create the desired value.

Our Mission:

- To disseminate knowledge based education on ethical values.
- To inculcate skills valued by industry and leading to graduate employability.
- To encourage higher education as an endogenous capacity-builder and as a promoter of human rights.
- To develop personality enhancement through soft-skills and competitive careers.
- To promote and encourage gender equality among students.

Our Objectives:

- To adopt a transformative and innovative approach for curricula and pedagogy, (the method and practice of teaching, especially as an academic subject or theoretical concept).
- To adopt a learner-centered paradigm of education, introducing multi-disciplinar industry-oriented, entrepreneurship, and skill-based courses.
- To adopt new pedagogical techniques such as flipped classrooms, blended learning, smart classrooms and experiential learnings.
- To incentivify and facilitate faculty development and exchange programmes and interdisciplinary research.
- To impart quality education and good moral values to young generation and pro them excellent and perfect environment and infrastructure for their overall grow.
- To endorse communication and awareness programme.
- To assist colleges to draw on our expertise.
- To promote research & publication on contemporary & relevant issues of higher education.
- To be a part of reform dialogues and an independent voice of the higher education community in India.

Message from the Management

Dear Parents and Aspirants,

With the aim of positioning India as the skill capital of the world, The Pratibha Group of Institutes is dedicated to transforming the lives of students. Our mission is to equip them with the necessary skills to meet industry demands while instilling a deep sense of environmental responsibility and a passion for societal upliftment. Aligned with the objectives of the New Education Policy 2020, Pratibha College of Commerce and Computer Studies (PCCCS) is committed to nurturing a competent workforce proficient in multi-disciplinary abilities across sciences, social sciences, and humanities.

To advance this mission, we are dedicated to fostering an enriching educational atmosphere where students truly grasp the art of learning and innovative thinking becomes ingrained in their daily lives. Aligned with the hybrid learning approach advocated in the NEP 2020, PCCCS boasts state-of-the-art physical infrastructure and cutting-edge ICT technology to facilitate seamless teaching and learning experiences both online and offline. Our learning environment is further enhanced by top-notch facilities, advanced technological labs, a highly experienced faculty deeply rooted in research, and numerous Academia Corporate Interface programs aimed at bridging the gap between academia and industry.

This collaborative initiative will immerse students in real-life scenarios, challenging their Knowledge, Skills, and Abilities (KSAs) and empowering them to adapt flexibly to evolving situations. Rather than passively contemplating encounters and reacting to stimuli, students will directly confront challenges, honing their practical knowledge and confidence. Holistic development, fortified by robust domain expertise and technological proficiency, is pivotal in empowering students to excel amidst competition. PCCCS, with its strong academic foundation and modern approach, aspires to shape students into accomplished role models poised for success.

Dr. Deepak V. Shah

Secretary, Kamala Education Society
M. Sc. (Chem.), MBA, Ph.D.

Message from the CAO

Dear Parents and Aspirants,

Swami Vivekananda's profound words, "We want the education by which character is formed, strength of mind is increased, intellect is expanded, and one can stand on his own feet," resonate deeply within Kamala Education Society (KES). Inspired by Vivekananda's ideals and the mentorship examples of Lord Krishna and Mahatma Gandhi, we strive to instill in our students the values of perseverance and self-reliance.

Pratibha College of Commerce and Computer Studies (PCCCS), a proud member of KES, epitomizes our commitment to educational excellence. Since its inception in 2007 with just 30 students, PCCCS has grown exponentially, now boasting over 3240 students. Affiliated with Savitribai Phule Pune University, PCCCS offers a diverse range of undergraduate and postgraduate programs, including Commerce, Computer Applications, and Cyber and Digital Science. Notably, the Commerce Research Centre, in affiliation with SPPU, stands as a testament to our dedication to academic innovation.

Dr. Deepak Shah, the Secretary of KES, is a visionary leader and dedicated administrator. His passion for providing quality education is evident in the state-of-the-art infrastructure of PCCCS, comprising well-equipped classrooms, libraries, laboratories, and gymnasiums. PCCCS is renowned for its skilful learning environment, organizing Job Fairs and Mega Pool Campuses to facilitate students' aspirations towards their dream careers.

PCCCS fosters holistic development through its vibrant college community, boasting 56 committees led by faculty members and student representatives. These committees offer diverse platforms for students to showcase their talents and enhance their personalities through competitions, programs, and events.

The achievements of PCCCS students speak volumes about the quality of education imparted here, with remarkable performances in academics, sports, and corporate positions. The recent accreditation by NAAC in 2022, with an impressive Grade A and CGPA of 3.22, underscores our unwavering commitment to excellence in higher education.

Dr. Rajendra Kankariya

Adjunct Professor in Chemistry,
CAO, Pratibha Group of Institutes

B.Sc. LL. B. M.Sc., M.Phil, Ph. D., M. A., M.Com., LL. M., M.B.A.,
M.Sc. D.M., M.A. J&MC

Message from the Principal

Dear Parents and Aspirants,

With my head held high and a fervent passion for innovation, I envision a very bright future for Pratibha College of Commerce and Computer Studies in Chinchwad, Pune. I understand that excellence is the culmination of perseverance, persistence, and unwavering efforts in the right direction. Since its inception in 2007, our institution has undergone significant transformations in academics, infrastructure, and student engagement. We have embraced change and adaptation as fundamental pillars of our growth journey, ensuring that we remain at the forefront of educational excellence.

There has been a paradigm shift from traditional education to outcome-based learning, with reforms in assessment methods. Every student at our campus is mentored and guided by their teachers, ensuring they choose the right path towards career, growth, and excellence. Teachers employ a variety of teaching pedagogies and are now trained for online and blended modes of learning. This holistic approach to education aims to nurture well-rounded individuals equipped with both knowledge and practical skills.

The institution has also entered into a good number of MoUs, facilitating interactions and guidance from the industry and promoting internships. Research projects have been introduced at the undergraduate level, enabling students to grasp the fundamentals of research. Moreover, extracurricular activities and community engagement initiatives provide students with opportunities to develop leadership skills and social responsibility. Our commitment to providing a comprehensive educational experience extends beyond the classroom, enriching the lives of our students and preparing them for the challenges of the future.

As we continue on our journey towards excellence, we remain dedicated to the betterment of all stakeholders. Students are encouraged to think critically, express themselves, and showcase their talents through various activities. In line with Darwin's theory of "survival of the fittest," my advice to students is to remain flexible, take a serious view of prevailing atmospheres, and work towards their development in a practical manner. With the unwavering support of our faculty, staff, and partners, I am confident that our students will achieve great success in all their endeavors.

Dr. A.K. Walunj

Principal, PCCCS

M.Sc, P.G.D.C.A, M.Phil., Ph.D (Electronics)

Message from the Vice-Principal

Dear Parents and Aspirants,

Pratibha College of Commerce and Computer Studies was established in 2007 with a vision of fostering vertical and horizontal mobility among students, thereby creating significant value. Affiliated with Savitribai Phule Pune University, PCCCS is renowned as one of the premier colleges in the region, having been accredited with an 'A' grade by NAAC for the second time. Enjoying a stellar reputation in the Pimpri-Chinchwad Municipal Corporation (PCMC) area, the college is committed to excellence in education.

Since its inception, PCCCS has been instrumental in shaping the landscape of education. It offers technology-based integrated education in a disciplined, need-based, and hygienic environment, aiming to enhance students' employability. The college annually organizes various skill-based courses, job fairs, corporate weeks, and soft skill development programs to broaden students' career horizons and facilitate their placement opportunities. Additionally, through Pratibha Finishing School, the college provides a plethora of add-on courses to bridge the academia-corporate gap.

Encouraging entrepreneurial spirit, the college facilitates seed funding and operates an incubation cell, organizing expert sessions and launching initiatives like Career Katta in collaboration with the Maharashtra Information Technology Support Centre. PCCCS fosters holistic development, as evidenced by students' achievements in diverse fields such as theatre, music, sports, and social activities. The college remains committed to nurturing socially conscious and empathetic global citizens who are aware of the social and political dynamics at local and global levels.

In a stride towards academic excellence, the college inaugurated a Research Center in Commerce & Management. With a faculty comprising 24 Ph.D. holders, 06 Ph.D. guides, and 31 NET/SET qualified members, PCCCS continuously enhances its standards of excellence. The teaching and non-teaching fraternities work synergistically to uphold the institution's commitment to excellence. Through the active participation of students in various committees and events, the college strives to realize its vision. Each year, hundreds of students graduate equipped not only with degrees but also with invaluable life skills, reflecting the true measure of the college's success.

Dr. Kshitija Prashant Gandhi

Vice Principal, PCCCS

Ph.D, M.Phil, M.Com, M.B.A, UGC NET

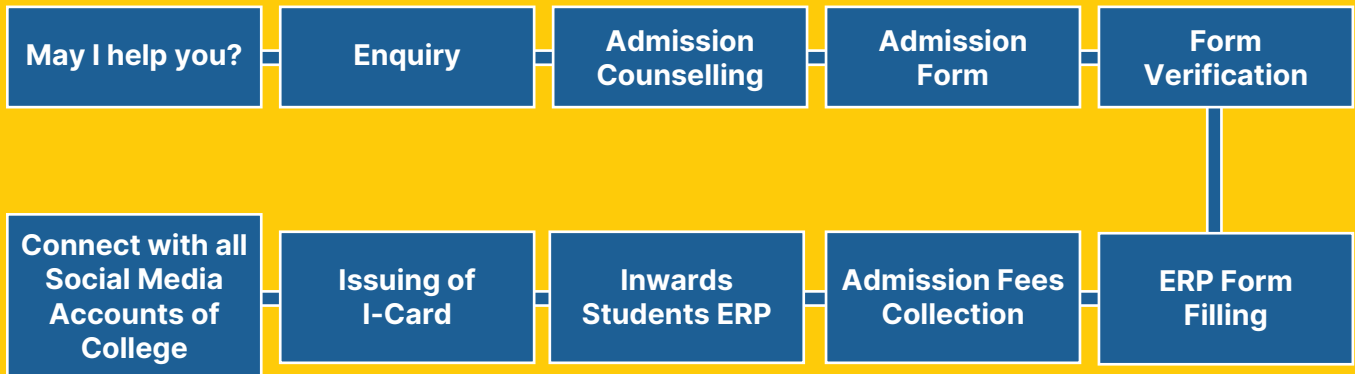

Eligibility Criteria for Under-Graduate Courses

Sr.No	Course Name	Course Duration	Total Intake	Minimum Percentage		Eligibility for the course
				Open	Reserve	
1	B.Com.	3/4 years	360 seats	35%	35%	Higher Secondary School Certificate (10+2) or its equivalent Examination with English.
2	B.B.A	3/4 years	180	40%	35%	A candidate from any stream, should have passed 12th Std. Examination (H.S.C.10+2) with minimum 40% marks and English as a passing subject
3	B.C.A	3/4 years	180	40%	35%	A candidate from any stream, should have passed 12th Std. Examination (H.S.C.10+2) with minimum 40% marks and English as a passing subject
4	B.Sc. (CS)	3/4 years	160	35%	35%	Higher Secondary School Certificate (10+2) Science Stream with Mathematics or its equivalent examination
5	B.Sc. (CDS)	3/4 years	60	35%	35%	Higher secondary school certificate (10+2) with Science or its equivalent examination with English.
6	B.C.A (Sci)	3/4 years	240	35%	35%	Any candidate who has passed the XII standard Examination in Science stream from Maharashtra State board of Secondary and Higher secondary education or equivalent board of examination is eligible for admission to the (F.Y.B.C.A.) OR Passed Three Year Diploma Course approved by the DTE, Maharashtra State or its Equivalent authority.
7	B.Sc. (Reg)	3/4 years	120	35%	35%	Higher Secondary School Certificate (10+2) or its equivalent Examination with English with any three science subjects such as Physics, Chemistry, Biology, Mathematics, Geography, Geology, etc.
8	B.A.	3/4 years	120	35%	35%	Higher Secondary School Certificate (10+2) or its equivalent Examination with English as a passing subject.
9	B.Sc. (IT)	3/4 years	80	35%	35%	Higher secondary school certificate (10+2) Science or it's equivalent examination with english.
10	B.Sc. (Nano Science & Nano Technology)	3/4 years	80	35%	35%	Higher secondary school certificate (10+2) Science Stream or its equivalent examination as per the Savitribai Phule Pune University eligibility norms.

Eligibility Criteria for Post-Graduate Courses

Sr. No	Course Name	Course Duration	Total Intake	Minimum Percentage		Eligibility
				Open	Reserve	
1	M.Com.	2 years	120 seats	40%	40%	The student who has passed any Bachelors degree of this University or any other recognized University shall be held eligible to be admitted to M.Com. Course.
2	M.Sc. (CS)	2 years	90 seats	50%	45%	<p>Bachelor of Computer Science (BCS) with 50% marks College and 45% marks for Reserved Category.</p> <p>OR</p> <p>B.Sc. (Computer Science) with 50% marks.</p> <p>OR</p> <p>A Bachelor of Engineering in Computer Science/ Information Technology/Electronic Telecommunication with 50% marks.</p> <p>OR</p> <p>B.Sc. in IT or B.Sc. in Entire Computer Science with 50% Marks</p> <p>OR</p> <p>B.Voc. in Software Development/ Information Technology with 50% Marks</p> <p>OR</p> <p>B.Sc. degree with Computer Science as Principal subject or Computer Science as one of the subject at T.Y.B.Sc. level for student with general B.Sc. with 50% marks.</p>
3	M.Sc. (CA)	2 years	60 seats	50%	45%	A Bachelor Degree in Science/Technology/Engineering with minimum 50%marks or equivalent for student belonging to Unreserved Category and minimum 45% or equivalent for students belonging to the Reserved Category.
4	M.Sc (Stats)	2 years	24 seats	50%	45%	<p>(a) B.Sc. (Second class) with Statistics principal and Mathematics at subsidiary level</p> <p>(b) B.Sc. (Second class) with Mathematics principal and Statistics at subsidiary level</p> <p>(c) B.Sc. (Second class) in Mathematics</p> <p>(d) B.Sc. (Second class) in Actuarial Science with Mathematics and Statistics at subsidiary level</p> <p>(e) B.Sc. (Second class) at third year with Statistic as one of the subject.</p>
5	M.Sc (Organic Chemistry)	2 years	24 seats	50%	45%	B.Sc. degree with Chemistry as principal subject.
6	MA Psychology	2 years	24 seats	40%	40%	Any graduate

Admission Process

Hon'ble Secretary, Dr. Deepak Shah, Principal Dr. A.K. Walunj, Vice Principal Dr. Kshitija Gandhi, IQAC Co-ordinator Dr. Jayashree Muley and Staff Members

Please scan QR code given here for eligibility criteria of Savitribai Phule Pune University website

Please refer to Savitribai Phule Pune University website for updated eligibility criteria at: <http://unipune.ac.in/>

Our Infrastructure Facilities

Classrooms

It has been our endeavor to provide our students with the best infrastructure and fully equipped class rooms where we ensure that the students can have space, comfort and all necessary tools to make their learning environment conducive. Our classrooms have amphitheater style seating to accommodate upto 80-100 students.

Library and Book Bank

Pratibha Library is the college's hub, offering 24,585 books, N-List E-Journals, a reading hall, and a book Bank service. It operates on an open-access system, and has a notable collection of rare books, references, research journals, and magazines. The reserve section contains essential textbooks.

Computer Laboratories

We are generation 'Z', and computers are the staples of our lives. We have 11 computer labs with 500+ Core I5 based PCs with line internet access. We were born in the digital world. The world is at your fingertips, and never a better reason to put you sold. out there. There is a world beyond Facebook, Instagram, Twitter, LinkedIn, Youtube and we'll help you discover it.

Seminar Hall/Auditorium

The college has a fully functional, centrally air-conditioned auditorium with a seating capacity of 200 people. The auditorium has a state-of-the-art audio-visual system and a multi-functional lighting arrangement. Various cultural programs, lectures, and college annual functions are organized in this auditorium.

Amphi Theater & Community Hall

With its ambient look and huge area, the Amphi Theater & Community Hall has become an attraction for students to perform and deliver their hidden talents and capabilities in a number of cultural, social, and intellectual performances.

Our Infrastructure Facilities

Sports & Gymnasium

By providing a variety of activities including athletics, basketball, chess, cricket, football, Kho-Kho, table tennis, archery, and volleyball, the college encourages participation in sports. In college, basketball is a highly esteemed sport, with teams doing well in both open and intercollegiate competitions.

A basketball and volleyball court, as well as other indoor and outdoor game facilities, are available on campus. Teachers of physical education form and instruct teams, with a strong emphasis on skill development and team building. For the purpose of maintaining their health, faculty and students can also use the well-equipped gymnasium.

Language laboratory

A language lab has been established to help our students improve their conversational and communication abilities. It is furnished with a variety of books, CDs, course materials, journals, and periodicals, all of which are specifically focused on the English language. The language laboratory's training program is overseen by a particularly committed teacher.

Pratibha Health Center

Pratibha Health and Counseling Center provides medical examinations, physical therapy, and psychological counseling under the direction of a licensed physician and a family counselor. All parents, teachers, and students are welcome to use the facility at no cost.

Canteen

We have delicious cuisine at our canteen. The healthful food that is served out reflects the high standards of hygiene. Food on campus is provided at incredibly low costs. During their downtime, students take pleasure in this facility.

Our Infrastructure Facilities

National Service Scheme (NSS)

The National Service Scheme unit works on different projects to make valuable contributions to society and to sensitize our students towards various social issues. It organizes programs of social service both in rural and urban areas. Students wishing to join NSS should contact NSS program officers.

Earn and Learn Scheme

An initiative that the university and the college have taken to assist financially unstable students is the Earn & Learn scheme. The university provides funds of Rs. 3,00,000 every year, and the college, as a CSR activity, adds up to Rs. 3,00,000 to help such students build their careers.

Student Development Cell

Pratibha College has a separate Student Development Cell (SDC) where various non-academic activities, such as cake making, trekking, robotics workshops, disaster management, and photography, are undertaken for the overall development of the students.

Pratibha Counseling Center & Faculty Mentorship

The college introduced the Faculty Mentor Scheme in the year 2010. Under this scheme, each student is assigned to one faculty member who serves as their guide and counselor throughout their term in the college. Students are free to discuss any issues or problems, whether academic or personal, with their mentors.

Alumni Association

An alumni association was established in Pratibha College in June 2010. Through this, the college aims to connect with all former students who have graduated and are now contributing in various sectors of civil society. The association not only seeks to inspire current students to excel but also encourages alumni to contribute to the development of the college.

Entrepreneur Cell & Incubation Center

The students having innovative ideas and creative minds are also provided with financial aid to make their dreams a reality and a futuristic entrepreneur.

Joy of Giving

CSR is a prominent aspect of major corporate entities in the present era. This initiative by the college is crucial in shaping our students into not just intelligent individuals, but also better human beings. The Joy of Giving Week is celebrated by our students, who volunteer 3-4 hours per week with NGOs for various activities. This could involve visiting an old age home, planting trees, or simply donating books, clothes, or food to those in need.

Blood Donation Camp

Giving back to society in some way is an essential aspect of being a better human being, and to instill this value, we organize regular social welfare activities. These activities aim to provide our students with opportunities to develop their humanitarian side and contribute positively to society. The blood donation camp, for instance, offers our students their first lesson in becoming responsible corporate citizens.

Pratibha Flair Festo

PCCCS hosts an annual gathering named 'Pratibha Flair Festo' along with the 'Annual Prize Distribution Day' every February. These events feature cultural activities that motivate and showcase the talents of our students. Activities such as the Elocution Competition, Twin Days, Mehndi Competition, Professional Day, Traditional Day, One Act Play, and Fashion Show are celebrated on a grand scale leading up to the main event. Various prizes are awarded to motivate and boost our students' morale.

Industry-Academia Interface

Groomed to Perfection

Grooming our students is an integral part of our curriculum. No stone is left unturned to help our students achieve the pinnacle of their potential through following activities:

1. Industrial Visits & Study Tours

PCCCS benefits from its proximity to some of the biggest names in the global business landscape. This advantage provides our students with amazing opportunities to visit these industries and gain insights into their work cultures. Additionally, we organize visits to MNCs across India to understand the cross-cultural functioning of multinational corporations.

2. IT Technical Sessions

IT seminars are organized for all students on specific topics of interest and current relevance. These seminars are conducted by faculties and experts from the field of IT. This session gives students perspective of the scientific and technical development in the world of information technology. IT Related seminars on Tally, Banks, Digital Marketing, E-Commerce etc. are organized specifically for students of Commerce & Management so as to keep them updated.

3. Outdoor Management Training (OMT)

This is where we organize a string of business games for our students to instill leadership qualities, effective communication, time management, team building etc. This activity goes a long way in instilling a lot of confidence and courage of conviction in our students.

4. Induction Programme - Take Flight

The 'Take Flight' Induction Programme at PCCCS offers students a preview of their journey ahead. It fosters a sense of belonging and guides them towards their chosen career paths. Designed to facilitate the transformation of students into professionals, the program is structured and led by experts. It's an experience that truly empowers our students to 'Take Flight'.

5. Let's Talk Corporate

Every field has its own jargon and every jargon has a story. All of these are explained to our students in our sessions. Let's talk corporate'. A session that helps students identify with the common terminologies in the corporate world and what they mean. So whether it is cherry picking or glass ceiling, our students understand the use of language that spices up corporate communication.

6. Soft Skills Training

Our Soft Skill Training program emphasizes holistic development, covering hard skills (CV writing, interview techniques) and soft skills (networking, teamwork, confidence, presentation skills). Designed to expose students to various sectors and professions, it enables access to diverse networks, enhancing employability. Faculty members are dedicated to instilling these vital skills in our students.

7. Corporate Social Responsibility

From last eight years college has hardworking with various CSR partners like Mahindra Pride Classrooms, FUEL, Quick Heal and Godrej and has run various activities for the benefit of the students in order to bridge the gap between industry and academia under the Pratibha Finishing school.

8. Start-Ups

We at college promote entrepreneurship development in students. A student at Pratibha College has started up with 5 new startups. The management supports the young entrepreneurs by funding with Rs. 25,000/- as a seed capital.

Student Driven Placement Cell

Placement is the culmination of a journey undertaken by our students. We prioritize ensuring that our students achieve their goals. Throughout the year, special attention is given to ensuring our students excel in the placement process. We organize pre-placement talks, CV writing workshops, mock GD-PI sessions, and spoken English lectures to prepare our students for the rigorous placement process.

'Its not just about knowing; Its about doing'.

The students understand the importance of learning through experience. Hence an exclusive placement cell comprising of around 15 students works ceaselessly to explore job opportunities in various industry sectors, develop relations with the corporate, arrange campus interviews, communicate with students and help them prepare for the same as well whenever necessary. The placement cell also organizes various academic, technical sessions as well as sessions by eminent corporate personalities.

PCCCS recognizes the importance of career choices in each student's life; therefore, it is important to coach and develop each student individually to ensure they can make an informed decision about their career. Recruiters typically prefer to hire individuals with professional attributes. By attending this development program, students commit themselves to becoming professionals of choice for recruiters.

The Career Counseling and Placement cell has been established in the college to provide students with a sense of direction and exposure to a range of job opportunities available to them upon graduation. The Cell aims to transcend the typical 'placement' center role by not only connecting students with potential employers but also preparing them to confidently transition into the next phase of life. Its objective includes equipping students with the ability to apply their learning to real-life situations.

Different kinds of activities are organized by the cell in order to:

- Help students realize their aptitude
- Hone their skills and talents with professional support
- Build a strong sense of identity and confidence through workshops in self-development
- Create a base of strong values for work
- Provide them exposure to different kinds of career options
- Invite possible agencies/NGOs/Corporate sectors/institutions/training agencies etc. for placements
- Offer information about various entrance exams and scholarships available for higher education in India & abroad

Pratibha Job Fair

“Excellence is what we strive for and excellence, we eventually achieve through our hard work, conviction & innovation.....”

The Pratibha Group of Institutes has the distinction of hosting the grandest Pratibha Job Fair as its annual event. Over 244 MNCs and national companies from diverse sectors such as Engineering, IT, Banking, Pharma, Insurance, Logistics, and many more, visit our campus to select the right candidates for their needs.

In a market scenario full of uncertainty, we provide our students with a sure-shot opportunity to maximize their potential and secure the best jobs available. We are the one-stop destination for over 244 MNCs, who annually recruit from our pool of over 15,000 candidates. With over 11,000 job openings and more than 4,000 on-the-spot offer letters, we stand as the ultimate authority in professional placements. Each year, we surpass our own expectations.

Some of our top recruiters are Infosys, Amazon, Fujitsu, WNS, TCS, Capgemini etc.

Pre Job Fair Training

As part of our Corporate Social Responsibility (CSR) initiative, the college provided training to over 6000 students across Maharashtra. Training sessions were organized at Kolhapur, Ahmednagar, and at Pratibha College in association with FUEL (Friends Union for Energising Lives).

SCHOOL OF OPEN & DISTANCE LEARNING

PRATIBHA SPPU SCHOOL OF OPEN & DISTANCE LEARNING (SODL)

PRATIBHA, SAVITRIBAI PHULE PUNE UNIVERSITY School of Open & Distance Learning (SODL) Study Centre is established in 2019-20 as an additional education path under PCCCS. The candidates who could not take admission to regular course because of their job or work, can take admission to SODL(DISTANCE EDUCATION) course.

The SPPU courses are well designed. The University has provided Study Material which is developed by highly experienced teachers. The Counselling of candidates is done on Sundays and Other Holidays as per need of candidates.

The massification of higher education presents a significant challenge to institutes, yet the School of Open & Distance Learning (SODL) addresses this by offering flexible education opportunities to all, catering to diverse societal needs in rural and urban India. With the advantage of flexibility, SODL enables students, including those geographically isolated or financially constrained, to access higher education easily, fostering self-confidence and enriching learning experiences. Collaborating with Savitribai Phule Pune University, known as the 'Oxford of the East,' SODL ensures UGC-recognized programs, providing transformative opportunities for higher education learners.

Distance education is experiencing tremendous growth, signaling a vast potential for its role in the future of the Indian higher education system. This mode of learning appeals particularly to individuals balancing careers and education, offering an affordable means to enhance qualifications. Over the last few decades, open learning has evolved significantly, leveraging technology to integrate e-learning and online platforms. Savitribai Phule Pune University has recognized this trend by establishing the School of Open Learning, aiming to provide high-quality distance education tailored to meet the demands of learners in the corporate world. With this initiative, the University envisions the School of Open & Distance Learning (SODL) as an inclusive platform, offering opportunities for all seeking higher education.

Courses Available in SODL

Pratibha Proud Moments

The foundation of every state, society, or civilization lies in the education of its youth. It is imperative for those who possess the power to impart knowledge to young minds to provide them with the tools for a meaningful, holistic, and fulfilling life. This intellectual legacy will empower them to become global citizens who navigate challenges with grace while embracing progressive knowledge-based technologies. It is our fervent desire to shape the younger generation of our country into responsible citizens, equipped with the knowledge and resources to lead the nation into a glorious future.

“Education is the manifestation of divine perfection already existing in man” - Swami Vivekanand
