Pre-Placement Activities (2022-23)

(Pratibha Finishing School)

Pratibha Finishing School was formed in the year 2017-18 with a thought of up skilling students on soft-skills, aptitude skills and technical skills which will help them to crack interviews and get placed in companies. At Pratibha Finishing School we continuously take efforts to up skill the students by designing various courses.

'Keep training and keep learning until you get it right'

We recognize the importance of a career choice in each and every students life, as a result it is important to coach and develop a student individually to ensure the student is able to make an informed choice on career.

Summary of Cyber Security Program: -

22nd August 2022

As determined by the higher authorities and the prudent support of Quick heal foundation, **One Day Training workshop** was organized by Pratibha finishing school .It was for the academic year 2022-23.

At PCCCS, every year we execute number of training programs for our students in collaboration with corporate giants; but the outstanding and unique feature of this training program was that, it was carried out physically.

This particular program was successfully attended by students, sourcing from BCA (Sci), BSc CS and BBA(CA) ,BSc (Reg) stream. The entire strength of the students was well arranged for the purpose of better interactive sessions. Teacher coordinators were participating to facilitate and ensure better implementation of the initiative. During this program, experts from Quick heal foundation were invited to nurture our students for the Cyber security world. The students also enjoyed a lot, they actively participated in Training, which was very much evidenced by overflowing responses. Finally, after the summation of the training program, the students were very grateful and glad. Thus the overall experience of this training program was holistically very fruitful and empowering.

At the outset the session ended with a valedictory function carried out by the department in presence of Dr. Deepak Shah, Secretary KES, Dr. Rajendra kankariya CAO KES, Dr. Kshitija Gandhi ,Vice Principal PCCCS, Dr. Jayeshri Muley IQAC Co-ordinator, Dr. Harshita Vacchani Program Co-ordinator Computer Science department, The Trainer Mrs.Sunandha Dhani guided our student. Total 100 students attended the event.

To,
The Principal

Sub: Seeking permission for "Cyber Safety Awareness" Presentation

Respected Sir/Ma'am,

Quick Heal Foundation is an independent entity of Quick Heal Technologies Ltd, implementing Quick Heal CSR activities all over India. This organization has been registered under Societies Act/ Trust act. "Cyber Safety Awareness" is an effort by Quick Heal Foundation across India, working together with college students, to put into effect better practices and safeguards to combat cyber crimes. The mission of this project is to keep the kids safe online.

As kids grow up in this digital age, keeping up with the latest trends and technology is a part of everyday life. Parents, on the other hand, are oftentimes less savvy than their kids when it comes to cyber behavior.

And due to lack of cyber awareness many crimes are happening online and is bound to increase drastically in near future. Having sensed the potential online danger Quick Heal foundation has taken an initiative of CYBER SAFETY awareness program among the school kids.

Seeking your permission for the approval of CYBER SAFETY awareness program in your school. This program will give students the knowledge about online safety and preventive measures. The program requires 45 minutes session. The presentation is for three groups: Std. 5 through 7, 8 through 10 and Junior college
Looking forward to a favorable response from you.

Thanking you,

Yours Truly,

Ajay Shirke
