• Overall feedback for the event "Iridescence 2022" :

All the students found this event idea is excellent one and they are very much satisfied with the organization of the event.

Also they like the concept of representing the science with the help of different colours and they liked this concept very much. All students of B.sc regular participated in Iridescence 2022 with their different ideas in the form of colorful posters and models and they found the event is very informative.
