Pre-Placement Activities (2022-23)

(Pratibha Finishing School)

Pratibha Finishing School was formed in the year 2017-18 with a thought of up skilling students on soft-skills, aptitude skills and technical skills which will help them to crack interviews and get placed in companies. At Pratibha Finishing School we continuously take efforts to up skill the students by designing various courses.

'Keep training and keep learning until you get it right'

We recognize the importance of a career choice in each and every student's life, as a result it is important to coach and develop a student individually to ensure the student is able to make an informed choice on career.
