**Guest Lecture on  
“Cancer awareness: Risk Factors and Myths”**

The guest lecture was organized on 25<sup>th</sup> January 2024 in T15 classroom from 10.00am to 11.00 am. The guest lecture attracted a receptive audience eager to better comprehend this important health concern. The Women's Welfare Committee in association with Health Committee brought together an engaging guest lecture on Cancer Awareness: Risk Factors and Myths. The objective of the event was to raise awareness about cancer risk factors and myths surrounding the disease.

The speaker Dr. Amit Kumar Patil cleared up common misconceptions about cancer while emphasizing important risk factors related to cancer thorough his guest lecture. In order to take charge of their health, attendees acquired insightful knowledge on early detection techniques and preventive measures. Through the open discussion and community involvement provided by the event, knowledge of cancer and a sense of responsibility for its prevention were raised. As a whole, the session was insightful and memorable. The students and staff benefitted from the guest lecture. The students interacted with their guest and cleared doubts and misconceptions related to cancer. It was a very fruitful session for all the students and staff.

**Output:**

1. Increased Awareness: By clearing misunderstandings and gaining a deeper awareness of cancer risk factors, attendees were more able to make educated lifestyle decisions and seek medical attention promptly.
2. Empowerment: After learning about early detection techniques and preventive actions, participants felt able to take control of their health.
3. Community Involvement: The occasion promoted candid communication and involvement among participants, creating a feeling of group responsibility to increase cancer awareness and advance health advocacy.
