About Us

Established in 1992 by a consortium of esteemed educators committed to its nurturing, Kamala Education Society flourished under their guidance for over a decade. In 2000, the reins of the trust were handed over to Dr. Deepak Shah, a celebrated activist, social reformer and educator, who infused it with dynamic energy to further its noble cause. Mrs. Pratibha Shah, an influential social activist, has also been instrumental in fostering the trust's development across all spheres. With a steadfast dedication to educational excellence, Kamala Education Society has witnessed comprehensive growth and progress, embodying a focused approach that resonates across its endeavors.

Kamala Education Society is registered as under:

1. Bombay Public Trust Act, 1950 Reg. No.: F-7404/Pune dated: 23/03/1992
2. Society's Act, Reg. No.: Maharashtra/6279-92/Pune, dated: 23/01/1992 Trust's registered address: Block D-III, Plot No. 3, Behind Mehta Hospital, Off Mumbai-Pune road, Chinchwad, Pune - 411019

Our Vision
Vertical and horizontal mobility of students create the desired value

Our Mission
To disseminate knowledge based education on ethical values.
To inculcate skills valued by industry and leading to graduate employability.
To encourage higher education as an endogenous capacity-builder and as a promoter of human rights.
To develop personality enhancement through soft-skills and competitive careers.
To promote and encourage gender equality among students.

Our Objectives:

- To adopt a transformative and innovative approach for curricula and pedagogy, (the method and practice of teaching, especially as an academic subject or theoretical concept).
- To adopt a learner-centered paradigm of education, introducing multi-disciplinary industry-oriented, entrepreneurship and skill-based courses.
- To adopt new pedagogical techniques such as flipped classrooms, blended learning, smart classrooms and experiential learnings.
- To incentivize and facilitate faculty development and exchange programmes and interdisciplinary research.
- To impart quality education and good moral values to young generation and provide them excellent and perfect environment and infrastructure for their overall growth.
- To endorse communication and awareness programme.
- To assist colleges to draw on our expertise.
- To promote research & publication on contemporary & relevant issues of higher education.
- To be a part of reform dialogues and an independent voice of the higher education community in India.

Message from the Management

Dear Parents and Aspirants,

With the aim of positioning India as the skill capital of the world, Pratibha Group of Institutes is dedicated to transforming the lives of students. Our mission is to equip them with the necessary skills to meet industry demands while instilling a deep sense of environmental responsibility and a passion for societal upliftment. Aligned with the objectives of the New Education Policy 2020, Pratibha College of Commerce and Computer Studies (PCCCS) is committed to nurturing a competent workforce proficient in multidisciplinary abilities across sciences, social sciences and humanities.

To advance this mission, we are dedicated to fostering an enriching educational atmosphere where students truly grasp the art of learning and innovative thinking becomes ingrained in their daily lives. Aligned with the hybrid learning approach advocated in the NEP 2020, PCCCS boasts state-of-the-art physical infrastructure and cutting-edge ICT technology to facilitate seamless teaching and learning experiences both online and offline. Our learning environment is further enhanced by top-notch facilities, advanced technological labs, a highly experienced faculty deeply rooted in research and numerous Academia Corporate Interface programs aimed at bridging the gap between academia and industry.

This collaborative initiative will immerse students in real-life scenarios, challenging their Knowledge, Skills and Abilities (KSAs) and empowering them to adapt flexibility to evolving situations. Rather than passively contemplating encounters and reacting to stimuli, students will directly confront challenges, honing their practical knowledge and confidence. Holistic development, fortified by robust domain expertise and technological proficiency, is pivotal in empowering students to excel amidst competition. PCCCS, with its strong academic foundation and modern approach, aspires to shape students into accomplished role models poised for success.

Dr. Deepak V. Shah
Secretary, Kamala Education Society
M. Sc. (Chem.), MBA, Ph.D.

Message from the CAO

Dear Parents and Aspirants,

Swami Vivekananda's profound words, "We want the education by which character is formed, strength of mind is increased, intellect is expanded and one can stand on his own feet," resonate deeply within Kamala Education Society (KES). Inspired by Vivekananda's ideals and the mentorship examples of Lord Krishna and Mahatma Gandhi, we strive to instill in our students the values of perseverance and self-reliance.

Pratibha College of Commerce and Computer Studies (PCCCS), a proud member of KES, epitomizes our commitment to educational excellence. Since its inception in 2007 with just 30 students, PCCCS has grown exponentially, now boasting over 3500+ students. Affiliated with Savitribai Phule Pune University, PCCCS offers a diverse range of under- graduate and postgraduate programs, including Commerce, Computer Applications, Cyber and Digital Science, Artificial Intelligence and Machine Learning, Data Science and Cyber Security. Notably, the Research Centre in Commerce and English in affiliation with SPPU, stands as a testament to our dedication to academic innovation.

Dr. Deepak Shah, Secretary of KES, is a visionary leader and dedicated administrator. His passion for providing quality education is evident in the state-of-the-art infrastructure of PCCCS, comprising well-equipped classrooms, libraries, laboratories and gymnasiums. PCCCS is renowned for its skillful learning environment, organizing Job Fairs and Mega Pool Campuses to facilitate students' aspirations towards their dream careers.

PCCCS fosters holistic development through its vibrant college community, boosting 55+ committees led by faculty members and student representatives. These committees offer diverse platforms for students to showcase their talents and enhance their personalities through competitions, programs, and events.

The achievements of PCCCS students speak volumes about the quality of education imparted here, with remarkable performances in academics, sports and corporate positions. The recent accreditation by NAAC in 2022, with an impressive Grade A and CGPA of 3.22, underscores our unwavering commitment to excellence in higher education.

Dr. Rajendra Kankariya
Adjunct Professor in Chemistry,
CAO, Pratibha Group of Institutes
B.Sc. LL. B. M.Sc., M.Phil, Ph. D.,
M. A., M.Com., LL. M.,
M.B.A., M.Sc. D.M., M.A. J & MC

Message from the Principal

Dear Students, Parents and Aspirants,

It is with great pleasure that I welcome you to Pratibha College of Commerce and Computer Studies, Chinchwad, Pune, a place of learning, growth and excellence. Our institution has always been committed to fostering an environment where students are encouraged to explore their potential, embrace innovation, showcase their prime talents and prepare for the challenges of the future with magnified advance skills. This year we have implemented NEP -2020 for first year UG and PG levels. We do undertake courses like, Indian Knowledge System, (IKS) Open Elective (OE) and reading, writing and presentation skills.

At Pratibha College of Commerce and Computer Studies, Chinchwad, Pune, we believe in holistic education that goes beyond textbooks, focusing on character development, leadership skills and real world applications. Our dedicated faculty members are not just educators but also mentors who guide students towards academic and professional success. We take pride in our state-of-the-art facilities, diverse extracurricular activities and industry aligned curriculum, ensuring that every student receives a well-rounded education.

Our institution has established multiple MoUs, fostering industry collaborations, facilitating internships and enhancing practical learning. Undergraduate research initiatives and the PG internships, equip students with essential research skills, while extracurricular and community engagement programs cultivate leadership and social responsibility.

We encourage critical thinking, effective communication and talent development through diverse academic and co-curricular activities. In alignment with the principle of adaptability, students are advised to remain flexible, analyze evolving environments and focus on practical growth. With the steadfast support of our faculty and industry partners, we are confident that our students will excel in their academic and professional pursuits. Besides academics, co-curricular and extracurricular activities, we have Placements also for the students which encompass from training CSR programmers from different companies and reputed industries in system and place our meritorious students with attractive package.

Dr. A. K. Walunj
M.Sc., P.G.D.C.P., M.Phil.,
Ph. D (Electronics)
Principal, PCCCS

Message from the Vice-Principal

Dear Students, Parents and Aspirants,

Pratibha College of Commerce and Computer Studies (PCCCS) was established in 2007 with a vision of fostering vertical and horizontal mobility among students, thereby creating significant value. Affiliated with Savitribai Phule Pune University, PCCCS is renowned as one of the premier colleges in the region, having been reaccredited with an 'A' grade by NAAC. Enjoying a stellar reputation in the Pimpri-Chinchwad Municipal Corporation (PCMC) area, the college is committed to excellence in education.

Since its inception, PCCCS has been instrumental in shaping the landscape of education. It offers technology-based integrated education in a disciplined, need-based, and hygienic environment, aiming to enhance students' employability. The college annually organizes various skill-based courses, job fairs, corporate weeks and soft skill development programs to broaden students' career horizons and facilitate their placement opportunities. Additionally, through Pratibha Finishing School, the college provides a plethora of add-on courses to bridge the academia-corporate gap.

PCCCS has introduced National Education Policy (NEP 2020) from the year 2024-25. NEP has a transformative role in higher education. On the guidelines of NEP, college focuses on digital education, flexible and skill oriented learning, promotion to regional language as to make education inclusive, globally competitive and employment driven. PCCCS fosters holistic development, as evidenced by students' achievements in diverse fields such as theatre, music, sports, and social activities. The college remains committed to nurturing socially conscious and empathetic global citizens who are aware of the social and political dynamics at local and global levels.

In a stride towards academic excellence, the college inaugurated Research Center in Commerce & Management and English. With a faculty comprising 25 Ph.D. holders, 06 Ph.D. guides and 22 NET/SET qualified members, PCCCS continuously enhances its standards of excellence. The teaching and non-teaching fraternities work synergistically to uphold the institution's commitment to excellence. Through the active participation of students in various committees and events, the college strives to realize its vision. Each year, hundreds of students graduate equipped not only with degrees but also with invaluable life skills, reflecting the true measure success of the college.

Dr. Kshitija Prashant Gandhi
Vice Principal, PCCCS
Ph.D, M.Phil, M.Com, M.B.A, UGC NET

ELIGIBILITY CRITERIA FOR UNDER-GRADUATE COURSES						
Sr. No.	Course Name	Course Duration	Total Intake	Minimum Percentage		Eligibility for the course
				Open	Reserve	
1	B.Com	3/4 Years	360 Seats	35%	35%	Higher secondary School Certificate (10+2) or its equivalent examination with English.
2	B.Com BM Business Management	3/4 Years	160 Seats	40%	35%	
3	B.Com IB International Business	3/4 Years	160 Seats	40%	35%	
4	B.Com CA Computer application	3/4 Years	240 Seats	40%	35%	
5	B.Sc. Regular (Chemistry/ Statistics) statistics, Maths & Chem, Bot. & Env. Sc.	3/4 Years	120 Seats	35%	35%	Higher secondary school certificate (10+2) or its equivalent examination with English with any three science subjects such as Physics, Chemistry, Biology, Mathematics, Geography, Geology etc.
6	B.Sc. NS & NT (Nano Science & Nano Technology)	3/4 Years	30 Seats	35%	35%	Higher secondary School Certificate (10+2) or its equivalent examination
7	B.Sc. CS (Computer Science)	3/4 Years	240 Seats	35%	35%	Higher secondary School Certificate (10+2) Science stream with Mathematics or its equivalent examination
8	B.Sc. CA (Computer Application)	3/4 Years	240 Seats	35%	35%	Higher secondary School Certificate (10+2) Science stream or its equivalent examination
9	B.Sc. CDS (Cyber & Digital Science)	3/4 Years	120 Seats	35%	35%	Higher secondary School Certificate (10+2) with science or its equivalent examination with English.
10	B.Sc. IT (Information Technology)	3/4 Years	160 Seats	35%	35%	Higher secondary School Certificate (10+2) with science or its equivalent examination with English.
11	B.Sc. AI & ML (Artificial Intelligence & Machine Learning)	3/4 Years	80 Seats	35%	35%	Passed standard XII (10+2) or equivalent examination with Physics and Mathematics as compulsory subject along with any one of the Science subjects
12	B.Sc. DS (Data Science)	3/4 Years	80 Seats	35%	35%	Higher secondary School Certificate (10+2) with science or its equivalent examination with English.
13	B.Sc. (Cyber Security)	3/4 Years	80 Seats	35%	35%	Higher secondary School Certificate (10+2) from any stream or its equivalent examination with English.
14	B.A. English/Economics/ Psychology	3/4 Years	120 Seats	35%	35%	Higher secondary School Certificate (10+2) or its equivalent examination with English as passing subject

ELIGIBILITY CRITERIA FOR POST GRADUATE COURSES

Sr. No.	Course Name	Course Duration	Total Intake	Minimum Percentage Open	Minimum Percentage Reserve	Eligibility for the course
1	M.Com.	2 Years	120 Seats	40%	40%	The student who has passed any bachelor degree of this University or any other recognized University shall be held eligible to be admitted to M.Com. Course.
2	M.Sc. CS (Computer Science)	2 Years	90 Seats	50%	45%	B.Sc. or B.E. in computer related subject such as CS, CA, AI & ML, IT, DS, CC, CDS, CyS, Electronics, etc. passed from recognized University
3	M.Sc. CA (Computer Application)	2 Years	60 Seats	50%	45%	A Bachelor Degree in science / Technology/ engineering with minimum 50% marks or equivalent for student belonging to Unreserved category and Minimum 45% or equivalent for students belonging to the Reserved Category
4	M.Sc. Data Science	2 Years	30 Seats	50%	45%	Graduate degree in statistics/ Mathematics/Computer Science/ Computer Application/ Engineering/ or its equivalent
5	M.Sc. Cyber Security	2 Years	30 Seats	50%	45%	B.Sc. or B.E. in computer related subject such as CS, CA, AI & ML, IT, DS, CC, CDS, CyS, Electronics, etc. passed from recognized University
6	M.Sc. (Statistics)	2 Years	24 Seats	50%	45%	(a) B.Sc. (Second class) with Statistic Principal and Mathematics at subsidiary level (b) B.Sc. (Second Class) with Mathematics Principal and Statistics at subsidiary level (c) M.Sc. (Second class) in Mathematics (d) B.Sc. (Second Class) in Actuarial science with Mathematics and Statistics at subsidiary level (e) B.Sc. (Second class) at third year with Statistics as one of the subjects.
7	M.Sc. (Organic Chemistry)	2 Years	24 Seats	50%	45%	B.Sc. with chemistry as Principal subject.
8	M.A. (Psychology)	2 Years	24 Seats	40%	40%	Any Graduate from any Stream

Classrooms

It has been our endeavor to provide our students with the best infrastructure and fully equipped class rooms where we ensure that the students can have space, comfort and all necessary tools to make their learning environment conducive. Our classrooms have amphitheater style seating to accommodate upto 80-100 students.

Library and Book Bank

Pratibha Library is the college's hub, offering 24,735 books, N-List E-Journals, a reading hall, and a book Bank service. It operates on an open-access system, and has a notable collection of rare books, references, research journals, and magazines. The digital library section contains Open Educational Resources, MOOCs, 10 Desktop computers and 50 tabs with Internet and WIFI facility.

Computer Laboratories

We are generation 'Z', and computers are the staples of our lives. We have 11 computer labs with 500+ Core I5 based PCs with line internet access. We are born in the digital world. The world is at your fingertips. There is a world beyond Facebook, Instagram, Twitter, LinkedIn, YouTube and we'll help you discover it.

Seminar Hall/Auditorium

The college has a fully functional, centrally air-conditioned auditorium with a seating capacity of 200 people. The auditorium has a state-of-the art audio-visual system and a multi-functional lighting arrangement. Various cultural programs, lectures, and college annual functions are organized in this auditorium.

Amphi theater & Community Hall

With its ambient look and huge area, the Amphitheater and Community Hall has become an attraction for students to perform and deliver their hidden talents and capabilities in a number of cultural, social and intellectual performances.

OUR INFRASTRUCTURE FACILITIES

Sports

By providing a variety of activities including athletics, basketball, chess, cricket, football, Kho-Kho, table tennis, archery and volleyball, the college encourages participation in sports. In college, basketball is a highly esteemed sport, with teams doing well in both open and intercollegiate competitions.

Gymnasium

A basketball and volleyball court, as well as other indoor and outdoor game facilities, are available on campus. Teachers of physical education form and instruct teams, with a strong emphasis on skill development and team building. For the purpose of maintaining their health, faculty and students can also use the well-equipped gymnasium.

Language Laboratory

A language lab has been established to help our students improve their conversational and communication abilities. It is furnished with a variety of books, CDs, course materials, journals and periodicals, all of which are specifically focused on the English language. The language laboratory's training program is overseen by a particularly committed teacher.

Pratibha Health Center

Pratibha Health and Counseling Center provides medical examinations, physical therapy, and psychological counseling under the direction of a licensed physician and a family counselor. All parents, teachers and students are welcome to use the facility at no cost.

Canteen

We have delicious cuisine at our canteen. The healthful food that is served out reflects the high standards of hygiene. Food on campus is provided at incredibly low costs. During their downtime, students take pleasure in this facility.

National Service Scheme (NSS)

The National Service Scheme unit works on different projects to make valuable contributions to society and to sensitize our students towards various social issues. It organizes programs of social service both in rural and urban areas. Students wishing to join NSS should contact NSS program officers.

Earn and Learn Scheme

An initiative that the university and the college have taken to assist financially unstable students is the Earn and Learn scheme. The university provides funds of Rs. 3,00,000 every year, and the college, as a CSR activity, adds up to Rs. 3,00,000 to help such students build their careers.

Student Development Cell

Pratibha College has a separate Student Development Cell (SDC) where various non-academic activities, such as cake making, trekking, robotics workshops, disaster management and photography, are undertaken for the overall development of the students.

Pratibha Counseling Center & faculty Mentorship

The college introduced the Faculty Mentor Scheme in the year 2010. Under this scheme, each student is assigned to one faculty member who serves as their guide and counselor throughout their term in the college. Students are free to discuss any issues or problems, whether academic or personal, with their mentors.

Alumni Association

An alumni association was established in Pratibha College in June 2010. Through this, the college aims to connect with all former students who have graduated and are now contributing in various sectors of civil society. The association not only seeks to inspire current students to excel but also encourages alumni to contribute to the development of the college.

Entrepreneur Cell & Incubation Center

The students having innovative ideas and creative minds are provided with financial aid to make their dreams a reality and a futuristic entrepreneur.

Joy of Giving

CSR is a prominent aspect of major corporate entities in the present era. This initiative by the college is crucial in shaping our students into not just intelligent individuals, but also better human beings. The Joy of Giving Week is celebrated by our students, who volunteer 3-4 hours per week with NGOs for various activities. This could involve visiting an old age home, planting trees or simply donating books, clothes or food to those in need.

Blood Donation Camp

Giving back to society in some way is an essential aspect of being a better human being and to instill this value, we organize regular social welfare activities. These activities aim to provide our students with opportunities to develop their humanitarian side and contribute positively to society. The blood donation camp, for instance, offers our students their first lesson in becoming responsible corporate citizens.

Pratibha Flair Festo

PCCCS hosts an annual gathering named 'Pratibha Flair Festo' along with the 'Annual Prize Distribution Day'. These events feature cultural activities that motivate and show- case the talents of our students. Activities such as the Elocution Competition, Twin Days, Mehndi Competition, Professional Day, Traditional Day, One Act Play and Fashion Show are celebrated on a grand scale leading up to the main event. Various prizes are awarded to motivate and boost our students' morale. Students are felicitated for their acadmics, extracurricular activities, co-curricular activities and their respective talent.

Industry-Academia Interface

Groomed to Perfection

Grooming our students is an integral part of our curriculum. No stone is left unturned to help our students achieve the pinnacle of their potential through following activities

1. **Industrial Visits & Study Tours**

   PCCCS benefits from its proximity to some of the biggest names in the global business landscape. This advantage provides our students with amazing opportunities to visit these industries and gain insights into their work cultures. Additionally, we organize visits to MNCs across India to understand the cross-cultural functioning of multinational corporations.

2. **IT Technical Sessions**

   IT seminars are organized for all students on specific topics of interest and current relevance. These seminars are conducted by faculties and experts from the field of IT. These seminars provide the students with scientific and technical development in the world of information technology. IT Related seminars on Tally, Banks, Digital Marketing, E-Commerce etc. are organized specifically for students of Commerce & Management so as to keep them updated.

3. **Outdoor Management Training (OMT)**

   The OMT in our college is specifically organized with string of business games for our students to instill leadership qualities, effective communication and time management, team building. This activity goes a long way in instilling confidence and courage of conviction in our students.

4. **Induction Programme - Take Flight**

   The 'Take Flight' Induction Programme at PCCCS offers students a preview of their journey ahead. It fosters a sense of belonging and guides them towards their chosen career paths. Designed to facilitate the transformation of students into professionals, the program is structured and led by experts. It's an experience that truly empowers our students to 'Take Flight'.

5. **Let's Talk Corporate**

   Every field has its own jargon and every jargon has a story. All of these are explained to our students in our sessions, "Let's talk corporate". A session that helps students identify with the common terminologies in the corporate world and what they mean. So whether it is cherry picking or glass ceiling, our students understand the use of language that spice up corporate communication.

6. **Soft Skills Training**

   Our Soft Skill Training program emphasizes holistic development, covering hard skills (CV writing, interview techniques) and soft skills (networking, teamwork, confidence, presentation skills). Designed to expose students to various sectors and professions, it enables access to diverse Networks, enhancing employability. Faculty members are dedicated to instilling these vital skills in our students.

7. **Corporate Social Responsibility**

   For the last nine years, our college has been continuously working with the various CSR partners like Mahindra Pride Classrooms, FUEL, Quick Heal and Godrej for the benefit of the students and uplifting their morale in order to bridge the gap between industry and academia under the Pratibha Finishing School.

8. **Start-Ups**

   We at college promote and build the entrepreneurial mindset in students for their holistic development. Few students at Pratibha College have started up with 5 new startups. The management supports these young entrepreneurs by funding with Rs. 25,000/- as a seed capital.

STUDENT DRIVEN PLACEMENT CELL

Placement is the culmination of a journey undertaken by our students. We feel its our priority to make sure our students achieve what they set out for. Around the year special attention is given to make sure our students excel in placement process. Pre-placement talks, CV writing workshops, Mock GD-PI sessions & lectures on communicatoin are organized to make our students ready for the grueling placement process. PCCCS recognizes the importance of a career choice in each and every students' life, as a result it is important to coach and develop a student individually to ensure the student is able to make an informed choice on career. By attending this development programme, students commit themselves to become a Professional of choice for the recruiters.

The students understand the importance of learning through experience. Hence an exclusive placement cell comprising of around 15 students works ceaselessly to explore job opportunities in various industry sectors, develop relations with the corporate, arrange campus interviews, communicate with students and help them prepare for the same as well whenever necessary. The placement cell also organizes various academic, technical sessions. The placement cell also orginized lecutres of eminent corporate personalities on **'Its not just about knowing; Its about doing'**.

The cell for Career Counselling and Placement has been set up in the college to offer to the students as sense of direction and an exposure to the range of openings and job possibilities available to them as they pass out of the college. The Cell, it is envisaged, will not limit itself to becoming the run-of-the-mill 'placement' centre where students may just get connected with possible employers. The objective of setting up the Cell includes the idea of preparing the student to launch in to the next phase of life confidently and equip her/him with the ability to use and connect 'learning' with the living of life.

The Various activities are organized by the cell in order to :

* Help students realize their aptitude
* Hone their skills and talents with professional support
* Build a strong sense of identity and confidence through workshops in self-development
* Create a base of strong values for work to provide them exposure to different kinds of career options
* Invite possible agencies/NGOs/Corporate sectors/institutions/training agencies etc. for placements
* Offer information about various entrance exams and scholarships available for higher education in India & abroad

Glimpses of Pratibha Finishing School & Placement Cell

"Excellence is what we strive for and in excellence
we eventually achieve, Conviction & innovation"

Pratibha Group of Institutes has the distinction of hosting the grandest Pratibha Job Fair as its annual event. Over 244 MNCs and national companies from diverse sectors such as Engineering, IT, Banking, Pharma, Insurance, Logistics visit our campus to select the right candidate as per the industry requirements.

In a market scenario full of uncertainty, we provide our students with a sure-shot opportunity to maximize their potential and secure the best jobs available. We are the one-stop destination for over 244 MNCs, who annually recruit from our pool of over 15, 000 candidates. With over 11,000 job openings and more than 4,000 on-the-spot offer letters, we stand as the ultimate authority in professional placements. Each year, we surpass our own expectations.

Some of our top recruiters are Infosys, Amazon, Fujitsu, WNS, TCS, Capgemini etc.

Pre Job Fair Training

As part of our Corporate Social Responsibility (CSR) initiative, the college do provide training to 6000+ students across Maharashtra. Training sessions are organized at Kolhapur, Ahmednagar and at Pratibha College in association with FUEL (Friends Union for Energizing Lives).

PRATIBHA JOB FAIR

No. of Companies Particiapted	244

Expected to get job	3131
Offer Letters issued	405

Pratibha, Savitribai Phule Pune University School of Open & Distance Learning (SODL) Study Centre was established in 2019-20 as an additional education path under PCCCS. This Course is basicaly beneficial for the candidates who are already employed as well as for the students who cannot mark their regular attendance for the lectures. The University provides Study Material which is developed by highly experienced teachers. The Counselling of candidates is done on Sundays and Other Holidays as per need of candidates.

The massification of higher education presents a significant challenge to institutes, yet the School of Open & Distance Learning (SODL) addresses this by offering flexible education opportunities to all, catering to diverse societal needs in rural and urban India. With the advantage of flexibility, SODL enables students, including those geographically isolated or financially constrained, to access higher education easily, fostering self-confidence and enriching learning experiences. Collaborating with Savitribai Phule Pune University, known as the 'Oxford of the East,' SODL ensures UGC- recognized programs, providing transformative opportunities for higher education learners.

Distance education is experiencing tremendous growth, signaling a vast potential for its role in the future of the Indian higher education system. This mode of learning appeals particularly to individuals balancing careers and education, offering an affordable means to enhance qualifications. Over the last few decades, open learning has evolved significantly, leveraging technology to integrate e-learning and online platforms. Savitribai Phule Pune University has recognized this trend by establishing the School of Open and distance Learning, aiming to provide high-quality distance education tailored to meet the demands of learners in the corporate world. With this initiative, the University envisions the School of Open & Distance Learning (SODL) as an inclusive platform, offering opportunities for all seeking higher education.

GLIMPSES OF PRATIBHA

The foundation of every state, society, or civilization lies in the education of its youth. It is imperative for those who possess the power to impart knowledge to young minds to provide them with the tools for a meaningful, holistic, and fulfilling life. His intellectual legacy will empower them to become global citizens who navigate challenges with grace while embracing progressive knowledge-based technologies. It is our fervent desire to shape the younger generation of our country into responsible citizens, equipped with the knowledge and resources to lead the nation into a glorious future.

"Education is the manifestation of divine perfection already existing in man"
- Swami Vivekanand
