- Health checkup is one of the compulsory activities of Savitribai Phule Pune University. Every year college has to conduct Health Checkup camp for all first year students.

This year our college had conducted camp from **6/9/2016 to 11/9/2016** for 5 days. **Dr. Pritija Kankariya** and **team members** examined total **620 students**. Medical fitness check up of the student include height, weight, blood pressure, pulse rate etc. Appropriate treatment was advised to the students having problems and told to follow up doctors recommended by Pune University.

Under the noble guidance of principal sir and with the help of committee members & volunteer's camp and all activities was successfully conducted.

- Hemoglobin checkup camp has successfully conducted on 26/9/2017 to 27/9/2017 in association with girl's welfare committee. Near about 600 + girls and faculties have participated in camp.
