Action Taken Report of 2018-19
Department of Computer Science
Feedback Form Analysis of A.Y. 17-18

➢ All the parameters of the feedback forms are rated excellently by the students.

➢ **The qualitative domain suggestions:**
- Students demanded more events/activities based on new trends in IT.
- University Syllabus should be revised as per the industrial need.
- Hands on experience for tools of IT.

Action Plan:
- In IQAC the student's suggestions were taken into consideration.

Action Taken:

The program coordinators have taken the required action.
