

Admission Committee Report

Admission committee work started in the month of February 2017 with printing of brochures and leaflets. Various teams were prepared for the admission process from the month of May 2017. The separate arrangement for admission process was arranged after the declaration of date of result of XIIth standard.

The complete admission process was divided in three parts:

- i) Enquiry about the courses available in college with required qualification. Faculties were guided to students about courses and solve their problems. One-to-one communication was done at this time. The document required for the admission process were also informed to the students
- ii) Students in the second phase purchased the admission form and fill it with required documents.
- iii) The form checking process was completed in the third phase and then students paid the required fee in the office.

As the demand was more for all the courses, college send the request to SPPU for 10% extra quota and it was sanctioned by university in the end of July 2017.

The admission process was continued till October 2017 and all first year admissions were full with 108% admissions.

Second year and third year admission process was started after the result declaration of respective courses.

Till the date college has 1998 admissions for the year 2017-18.
