**No. of Students Participated/Benefited: 80 (B.Com, BBA, BBA (IB) BCA, BCS)**

##### **Brief Report about the Event:**

Board of Extra Mural Studies (Bahishal) Department has organized Need Based Programme (Whole Day Workshop). The programme was based on the theme of creating awareness about the concepts freedom, today's youth, family, society, nation through lectures of expert, role play, presentations, questions and answers.

The speakers invited for this programme are as follows:

1. Dr. Senhal Apte
2. Mrs. Anita Gurjar
3. Mrs. Anjali Railkar
4. Sadhana Sethiya
5. Dr. Rajendra Kankariya

Dr. Snehal Apte has given focus on the concept freedom in detail. She stated that today's youth is taking disadvantage of freedom given by our family, society and law. Due to this our society is facing so many problems. A very wonderful act was performed by Dr. Snehal Apte and Sadhana Sethiya on this topic. It was a meaningful interactive session of this workshop. The speakers have thrown light on the current scenario. According to them, the freedom is given to make them more responsible citizens of our society. The motto behind legal freedom is to make them civilized and aware in all the senses but unfortunately the meaning of freedom is taken in a very negative manner by the youth of our country. Safety measures which come automatically with the freedom and liberalization is taken wrongly.

The speaker expressed their views that social media has become a great threat to the youth of India. It has started with the intension of spread up knowledge but the main intention is subsided by the harmful spread of social media and its adverse effect on the young minds. It's just like automatic energy which was wrongly used in Second World War and we can see the terrible consequences. The speakers have also spoke on various subjects like importance of self-defense and self-acknowledgement.
