4. On 19 December 2020, **PowerPoint Presentation Competition** was organized in the department of Commerce. Today the knowledge is not far away, it is just a click away. But where does the difference come up is how one presents it. Nowadays, the difference between the good and best is the way of presentation. In the competition, one selected topics from the assigned list and few participants participated in pairs too.
 5. On 31 December 2020, **Corporate Talk Competition** was organized in the department of Commerce. The final destination of every student is the efficient employability in the world of corporate and with the same motive this initiative was taken to provide a platform where students can dress professionally and also introduce themselves professionally. To the astonishing part, few participants as the spot entries participated and performed outstanding well – which gave a very sigh of relief for the organizers. Since their efforts exhibited fruits, their efforts did not went to vain.
 6. On 01 January 2021, **HAAN BHI NAA, NAA BHI HAAN – Self Assurance (Presence of Mind) Competition** was organized. Normally it is observed that many people waste the wonderful opportunity, since they lack or lose their presence of mind. Due to which, people are not able to win over and convert the particular opportunity to their strength. Thus the attempt was made to check the presence of mind of students through this competition - where one is expected to answer the Yes or No question without uttering the work Yes or No.
 7. On 02 January 2021, **Tongue Twisters Competition** was organized for the students of the department. Language plays a very important role in the personality of the person. It is the most crucial and influencing tool of communication. The person may use simple vocabulary, but the most essential part is that there should be fluency and the pronunciation should be crystal clear, thus this competition made the purpose successful to the utmost.
 8. **Mr & Ms Vanijyam Intercollegiate Competition 2020-21** was scheduled on 09 July 2021. This particular competition was designed and articulated with the purpose to avail a platform to the students to exhibit their hidden talent and identify the gems of Commerce. There were 81 registrations from all over the different Colleges of Pune. In the Competition, there were four rounds – Self Introduction, Virtual Role Play, Rapid fire round on Commerce Knowhow and the final last round was Judges Interaction round. Despite being virtual in the history of Department of Commerce, the event was a great success and act as a remarkable feather.
