Pratibha College of Commerce & Computer Studies
Deep Pratibha – “A Journey From Light To Knowledge”
November 2018 – March 2019
Report

Deep Pratibha, a College Magazine, reflects the activities of our college organized throughout the year. It is a perfect medium for our students and faculty members to express their opinions, portray their writing skills (creative writing) humour, poems and articles in our magazine. It is a platform to motivate and encourage students and our renowned faculty members for their active participation in Workshops, Conferences, Seminars and Orientation programme, Research Competition (Avishkar), Inter-Collegiate competitions and so on. The meeting of Deep Pratibha was conducted for the basic follow up of the articles and the competitions for our college magazine. For the competitions there were in all beautiful sketches made by the students, which are still displayed on the notice board. Also, reports of the National Conference and State Level Seminar were given by students. The reports and the photographs for the upcoming gathering and the cultural competitions were also discussed to be collected from the concerned teachers. Also, the sports events reports and the photographs were also to be collected from the concerned sports department. It was also discussed that each convenor of various committees should e-mail their reports and photographs. The meeting of Deep Pratibha was conducted for the basic follow up of the articles for our college magazine. The last date for articles to be submitted by faculty members and the students was confirmed by Principal Sir on 31st March 2019. Also, it was discussed with Principal Sir to change the look of the magazine and accordingly some faculty members were also requested to get the different college magazine.
