Brief Report about the Event:

Pune as a city is committed to save the environment and Mother Earth. To promote this cause, **NO VEHICLE DAY** was recently observed by all staff members and students of Pratibha Group of Institutes on **12th January 2019**. The aim was to reduce the dependency on automotive vehicles to bring down the pollution levels. Majority of staff members and students reached the college on cycle, CNG Auto, Cabs on sharing basis and while some of them reached the campus, walking. We have distributed chocolates to all cyclist as a token of appreciation on that day. The No Vehicle day will now be a regular feature in all the colleges of the group and will be observed every month, on last Saturday.
