

Research Committee Report

Research committee has decided to conduct four programmes throughout the year. The first programme was organized on 8th August 2016. A well known scientist Dr Ashok Nagarkar and his two daughters Ankita and Sneha Nagarkar Guided the students and teachers about 'Patents and Copyrights'.

They motivated all for doing some innovations and having some out of box ideas.

The next programme was conducted on 17th September 2016. It was focusing on how to write major and minor research . Every year Pune university asks for various minor and major research projects by research scholars and Ph.D holders. Dr. Rajendra Kankariya guided all the teachers on how to write research projects . He also explained university guidelines for the same.

There was a workshop for Avishkar , a research competition for students and teachers organized by Pune University at Modern College, Pune on 27th oct. 2016. RAC from PCCCS, Dr Roopa Shah attended the workshop.

Aavishkar Research poster making competition was held at D Y Patil Arts Commerce and Science College , Pimpri on 7th Dec.2016 Five teams (10 students) participated in zonal level competition. They were all appreciated. The result is yet to come.

There will be two programmes in pipeline. 'An Innovative Research 'Competition for students. The other is for teachers who are pursuing research on 'Using Research Softwares Effectively'.
